

Secure student success—lock away distractions.

Is your school or state requiring student phones to be secured during the school day?
Stay ahead with the Datamation Secure Phone Solution

KEEP LEARNING FRONT AND CENTER

Protect devices and eliminate classroom disruptions with a solution built specifically for educators.

GRAB AND GO CONVENIENCE

Compact and portable—take it anywhere on campus.

TAILOR IT TO YOUR NEEDS

Custom branding and configurations available.

Make your classrooms distraction-free—because student success starts with focus.

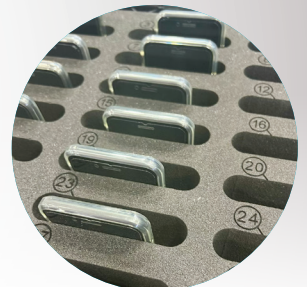

Eliminate distractions

Lightweight, locking case designed for teachers and administrators who need a fast, reliable way to manage student phones.

Fits up to 35 devices

Durable hard shell with precision-cut, numbered foam slots keeps every phone accounted for.
